BEAST AUTOMOTIVE

The document is an HTML template for **BEAST AUTOMOTIVE**, a 3-wheeler spare parts and workshop web application.

Key details from the document include:

- **Branding & Location:** Specialized in genuine parts, engine lubrication, and extra fittings for Bajaj, Greaves, Mahle, and Varroc, located on Gonikoppal Bypass Road, Gonikoppa.
- **Features & Functionality:** Includes an offline mode alert, a WhatsApp ordering desk, a contact call button, a searchable product catalog containing 54 items across multiple categories, and a saved order cart that compiles selected items into a formatted WhatsApp order message.
- **Categories:** Parts are organized into Engine & Lubes, Clutch & Transmission, Brakes & Steering, Electrical & Body, and Hardware & Fasteners.

Would you like me to extract a specific list of parts or categories from the catalog for you?
